Skills

- **Languages**: C++, JavaScript, Java, Node.js
- **Frameworks**: Spring Boot, Tailwind CSS, Hibernate (JPA)
- **Tools/Platforms**: Git, GitHub, Linux, VS Code, PostgreSQL
- **Soft Skills**: Decision Making, Teamwork, Empathy, Critical Thinking, Negotiation

Projects

Driving Safety Advisor with AI Chatbot | GitHub Jan' 25 - Mar' 25

- Designed an AI-powered web application delivering real-time driving safety insights via an interactive chatbot
- Constructed rule-based conversational flows to generate context-aware safety suggestions.
- Crafted a responsive and user-friendly frontend to enhance accessibility and usability.
- Enabled real-time interaction for quick and effective driving guidance.

  Tech: HTML, CSS, JavaScript

Real-Time Memory Allocation Tracker | GitHub Apr' 24 - Jul' 24

- Developed a GUI-based real-time memory monitoring system for tracking process-level usage and detecting leaks
- Integrated live data visualization using Matplotlib and psutil for interactive performance insights.
- Established CSV-based logging to maintain historical records and analyze usage trends.
- Improved system monitoring efficiency by providing clear resource utilization insights.

  Tech: Python

Learning System | GitHub Aug' 23 - Sep' 23

- Created a responsive educational platform for seamless access to academic resources.
- Enhanced user experience through structured layouts and intuitive navigation.
- Ensured cross-browser compatibility and mobile responsiveness using modern web standards.
- Streamlined content delivery for efficient and user-friendly learning access.

  Tech: HTML,CSS

Certificates

- Packet Switching Networks and Algorithms | Coursera | **Certificate** Nov' 24
- Introduction to Hardware and Operating System | Coursera | **Certificate** Sep' 24
- Responsive Web Design | FreeCodeCamp | **Certificate** Oct' 23

Achievements

- Achieved 5-star ratings in Java, Python, and C++ and 4-star ratings in Problem-Solving on HackerRank, demonstrating strong problem-solving and programming skills.
- Earned Java (Basic) certification, validating understanding of core programming concepts and object-oriented principles.

Education

- **Lovely Professional University** Phagwara, Punjab
  Bachelor of Technology - Computer Science and Engineering; ***CGPA: 6.04*** *Aug' 2023 - Present*
- **Pradeep School and Junior College** Sangli, Maharashtra
  Intermediate; ***Percentage: 76.83%*** *Apr' 2021 - Mar'2022*
- **Dharam Public School** Palwal, Haryana
  Matriculation; ***Percentage: 79.00%*** *Apr' 2019 - Mar' 2020*
